Air Quality Forecast for the UK

Issued by the Met Office

Today: Winds will ease a little on Wednesday, compared to recent days, however they will still be sufficient to prevent the buildup of pollutants. Air pollution is expected to remain Low across the UK.

Tomorrow: Little change is forecast for much of the UK, throughout most of Thursday, although winds will strengthen. This will ensure air pollution levels remain Low.

Outlook: Changeable conditions are forecast to continue. This will keep air pollution levels Low on Friday and throughout the weekend.
